

Habit 1—Be Proactive

I'm in charge of ME!

Think proactively and dramatically. Be realistic, but set your sights high, like a World War One Flying Ace!

Habit 2—Begin with the End in Mind

I set goals for myself!

I never thought it was a bad little tree. It just needed a little love.

Habit 3—Put first things FIRST!

Work first, then play!

Practice makes perfect!

Habit 4—Think Win-Win!

I believe we can all be successful!

Never ever ever give up!

Habit 5—Seek first to understand, then be understood!

I listen without interrupting.

I will listen to others before I talk!

Habit 6—Synergize

I know that together is better!

Alone we can do so little; together we can do so much! ...

Habit 8—Find your voice!

Be creative!
Be inventive!
Be something!
Be humble!
Be proud!
Be yourself!!
