

When I said "Yes",  
I expected a fairytale life  
but what I got instead,  
was far more than I could have ever imagined.

You are the wings  
that lift me up  
and make my heart fly.

You are the spice  
that flavors my life  
and warms my heart.

You are the man  
I would say "Yes" to  
again and again and again!
