

You lost your first tooth! Yippeel
 You are growing into such a big
 girl. I am so proud of you for pulling
 it out yourself! I hope you like the
 special surprise I left for you under
 your cute kitty pillow. Your room
 is so pretty. I loved flying by your
 beautiful glass animal collection.

I am sure I will be
 back to visit you
 again soon since you
 have so many other
 loose teeth. Take
 good care of your
 adult teeth when
 they come in. Brush
 and Floss everyday
 and don't eat too
 many sweets.
