RAGGEDY ANN AND ANDY QUILT

Trace and match pieces for desired position before appliqueing. Use pattern "C" of "Nine Patch Star" for border, piecing as suggested in sketch. Cut twenty-four 9" blocks of white. Applique Ann on twelve and Andy on twelve. Piece the blocks together alternately, 4 across and 6 up and down. This is long enough to cover

pillow. Embroider sleeves, pantaloons, hair and faces. Quilt requires 1 3/4 yd. white, 1 yd. blue for overalls and border, 1 1/2 inches of black or brown for shoes, 1/4 yd. flesh color for faces, arms and hands, and miscellaneous prints for dresses and border. Bind edges in white. Finished quilt is about 40x54".
