### january get organized checklist

- Set your goals for the year
- Review your monthly budget
- Check your budget (are you spending wisely? are there hidden costs?)
- Take down and store your holiday decorations. Let go of anything that doesn't make a lot of sense this year.
- Make lists of gift requests.
- Send thank you notes for holiday gifts.
- Checklist and prepare your storage area (bedrooms, attic or storage closet).
- Organize the photos you took last year and set up an organizing system for this year.
- Checklist + organize the holiday greeting cards you received this year.
- Let go of anything that's weighing you down and start the new year just as light as possible!
