

10 Things I LO About YOU

Scratch off 1 heart every day.

I love that you
always take out
the trash without
being asked.

I love your good
night texts when
you are out of
town.

I love your smile.

I love the sound of
you and Austin
giggling &
playing.

I love when you
agree to eat
dessert with
us.

I love when you
try to dance like
the Cat Man
