Name _____

Grade Tracking Sheet

Term # ____

Assignment	My Points	Total Possible Points	Grade (My Points/Possible Points) x 100
Homework/Class Work Grade			

To get your FINAL GRADE...	My Points Total	Total Possible Points	FINAL GRADE (My Total / Possible Points) x 100
• Add up all "My Points" • Add up all "Total Possible Points" • Divide My Points by Total Possible Points • Multiply by 100... this is your grade			

I understand that I am required to keep track of my grades during the term so I am aware of what my current grade is at any point during the term.
