

Halloween Logic Puzzle

	M&M's	Skittles	Lollipop	Reese's Cups	Princess	Fairy	Superman	Skeleton
Shelbie								
Avery								
Cole								
Drew								
Princess								
Fairy								
Superman								
Skeleton								

Shelbie, Avery, Cole and Drew go trick or treating together every year. Each child dresses up differently and likes a different type of candy. What does each child dress up as and what is his or her favorite candy?

1. Shelbie loves chocolate and Drew does not.
2. The boys both dress in costumes beginning with the letter "s".
3. Superman likes tiny candies so he can eat them slowly.
- 4 Avery and Cole like to pretend they can fly (their costume choices reflect this).
- 5 The fairy's favorite candy has all the colors of the rainbow.
