

Circus Picture Frame

Instructions: Print out the frame on regular paper or cardstock. Then cut the frame out. Use a craft knife to cut a hole in the center for your picture. Tape your picture to the back of the frame so that your photo shows through the opening. If you don't want to cut a hole, you can also paste your picture directly in the center of the frame. You can also decorate the frame with stickers or embellishments that you purchase at a craft store. By using buttons, glitter, ribbon, beads, etc.
