

CRAZY CHRISTMAS CAROLS

Noisy Day
What adult was that?
Down on the Ground Floor
Tinkerbell is leaving the City
running in the Summer Wasteland
Grief from the Stars
It went in a Noonday Fog
O Big City of Jerusalem
Grouchy Young Demon Scrooge
Peanuts Freezing in a Closed Fridge
Car Walk
You Saw the Drums on Easter Night
Noisy, Noisy, Noisy
Clarabell the Green Tall Cow
Disregard the Unofficial Devil's Shout
Go None of Us Skeptical
Satan Work Us Sad Ladies
Dewy the Sungirl
Scrub the Floors with Buckets of Ashes
Close, Close Here on Joseph's Mountain
Here out of Bed
O Wicked Day
The Last Easter
You Three Queens of Idaho Were
Do Not Rain, Do Not Rain, Do Not Rain
Big Tuba Man
