

## THE ART OF BREAKFAST

Olive Hotels believes that breakfast should be a stimulating and healthy start to your day. So we are committed to providing a culinary experience that tempts your palate and challenges the traditional breakfast fare. Combining national trends with regional flavors we have sourced cage free eggs, organic flour rich cereals, steel cut oats, gluten free breakfast breads and our signature blueberry maple sausage patty that does not contain hormones or other additives. Our morning tea features whole-leaf tea and rough cut herbs in silicon infusers. And we proudly brew Starbucks® shade grown coffee.
