

Make Your Own Magic Wand

Materials

Star Patterns
Plastic Straw
Glue
Glitter
Markers, paints,
colored pencils or
tissue paper

Print sheet and decorate stars
with markers, paints, tissue paper
or colored pencils.

Cut out stars. Apply glue to
backs and glue together
with a plastic straw inserted
between the two star layers. Flatten
end of straw slightly if necessary.

Apply thin layer of glue to both sides of star
then sprinkle glitter on both
sides, or use glitter paints or glitter
pen glue to add magical sparkle.
