

"Mint" to be a child of God

Oh what love my Savior gave
 Oh what He did for me
 Oh what a sacrifice He made
 When He died on Calvary's tree
 There's nothing that I could ever
 do
 To deserve this kind of love
 But yet He gave this gift to me
 To show His Father's love.

God's Love
 is bigger
 Than we know

"Mint" to be a child of God

Oh what love my Savior gave
 Oh what He did for me
 Oh what a sacrifice He made
 When He died on Calvary's tree
 There's nothing that I could ever
 do
 To deserve this kind of love
 But yet He gave this gift to me
 To show His Father's love.
