

Recipe

A decorative background with a red-to-white gradient. At the top, the word "Recipe" is written in a dark red, rounded font. Below the title, there is a series of white, scalloped borders that create a pattern of arches. Inside these arches, there are small white circles of varying sizes, some of which are connected by thin lines, resembling a stylized chain or a decorative border. The bottom portion of the page is filled with horizontal white lines, providing a space for writing the recipe.
