

Classroom Tickets

(Printing Instructions)

Step 1: Decide how many tickets you want or need to be available for each student. (I recommend 15-20 for each.)

Step 2: Print the number of times you determined in step one.

Step 3: Cut out tickets and laminate for durability.

Step 4: See [my site](#) for tips on how to implement classroom tickets effectively in your classroom.

(Terms of Use)

Personal use only. Do not sell or share online by rehosting. Feel free to share the link to [my site](#) where users can download their own copy from me directly.
