

F Amazing Grace

John Newton, Bill Walker, William J. Gaither

from www.traditionalmusic.co.uk

[F] Amazing grace how [Bb] sweet the [F] sound
That saved a wretch like [C7] me
I [F] once was lost but [Bb] now I'm [F] found
Was blind but [C7] now I [F] see

'Twas grace that taught my [Bb] heart to [F] fear
And grace my fears re [C7] lieved
How [F] precious did that [Bb] grace ap [F] pear
The hour I [C7] first be [F] lieved

Through many dangers [Bb] toils and [F] snares
We have already [C7] come
It [F] was Grace that brought us [Bb] safe thus [F] far
And Grace will [C7] bring us [F] home

We've all been here ten [Bb] thousand [F] years
Bright shining like the [C7] sun
We've [F] no less days to [Bb] sing God's [F] praise
Than when we [C7] first be [F] gun
