18" Doll Gift Box
* print onto cardboard (cardstock)
* cut box out all around the outside
* cut open the slit on the front of the gift box
* fold along all the dotted lines
* put glue on all the shaded areas
* fold and glue box into shape
* attach a piece of ribbon to the lid for a handle
* fill with goodies and close by inserting the flap into the front slit
* For more instructions to complete this project visit www.dolldiaries.com
