

So You THINK You Love Disney?

The board game board consists of a path of red circles. The path starts at a red rectangle labeled "START" at the bottom center. From "START", the path moves up to a red circle, then left to another red circle, then up to a third red circle. From there, it moves right to a red circle, then up to a fourth red circle. From this fourth circle, the path branches into two paths. The left path goes up to a fifth red circle, then right to a sixth red circle, then up to a seventh red circle, then right to an eighth red circle, then up to a ninth red circle, then right to a tenth red circle, then up to an eleventh red circle, then right to a twelfth red circle, then up to a thirteenth red circle, then right to a fourteenth red circle, then up to a fifteenth red circle, then right to a sixteenth red circle, then up to a seventeenth red circle, then right to an eighteenth red circle, then up to a nineteenth red circle, then right to a twentieth red circle, then up to a twenty-first red circle, then right to a twenty-second red circle, then up to a twenty-third red circle, then right to a twenty-fourth red circle, then up to a twenty-fifth red circle, then right to a twenty-sixth red circle, then up to a twenty-seventh red circle, then right to a twenty-eighth red circle, then up to a twenty-ninth red circle, then right to a thirtieth red circle, then up to a thirty-first red circle, then right to a thirty-second red circle, then up to a thirty-third red circle, then right to a thirty-fourth red circle, then up to a thirty-fifth red circle, then right to a thirty-sixth red circle, then up to a thirty-seventh red circle, then right to a thirty-eighth red circle, then up to a thirty-ninth red circle, then right to a fortieth red circle, then up to a forty-first red circle, then right to a forty-second red circle, then up to a forty-third red circle, then right to a forty-fourth red circle, then up to a forty-fifth red circle, then right to a forty-sixth red circle, then up to a forty-seventh red circle, then right to a forty-eighth red circle, then up to a forty-ninth red circle, then right to a fiftieth red circle, then up to a fifty-first red circle, then right to a fifty-second red circle, then up to a fifty-third red circle, then right to a fifty-fourth red circle, then up to a fifty-fifth red circle, then right to a fifty-sixth red circle, then up to a fifty-seventh red circle, then right to a fifty-eighth red circle, then up to a fifty-ninth red circle, then right to a sixtieth red circle, then up to a sixty-first red circle, then right to a sixty-second red circle, then up to a sixty-third red circle, then right to a sixty-fourth red circle, then up to a sixty-fifth red circle, then right to a sixty-sixth red circle, then up to a sixty-seventh red circle, then right to a sixty-eighth red circle, then up to a sixty-ninth red circle, then right to a seventieth red circle, then up to a seventy-first red circle, then right to a seventy-second red circle, then up to a seventy-third red circle, then right to a seventy-fourth red circle, then up to a seventy-fifth red circle, then right to a seventy-sixth red circle, then up to a seventy-seventh red circle, then right to a seventy-eighth red circle, then up to a seventy-ninth red circle, then right to an eightieth red circle, then up to an eighty-first red circle, then right to an eighty-second red circle, then up to an eighty-third red circle, then right to an eighty-fourth red circle, then up to an eighty-fifth red circle, then right to an eighty-sixth red circle, then up to an eighty-seventh red circle, then right to an eighty-eighth red circle, then up to an eighty-ninth red circle, then right to a ninetieth red circle, then up to a ninety-first red circle, then right to a ninety-second red circle, then up to a ninety-third red circle, then right to a ninety-fourth red circle, then up to a ninety-fifth red circle, then right to a ninety-sixth red circle, then up to a ninety-seventh red circle, then right to a ninety-eighth red circle, then up to a ninety-ninth red circle, then right to a hundredth red circle.

Illustrations on the board include Mickey Mouse in the center, Aladdin and the Genie on the right, and a group of Disney princesses (Cinderella, Snow White, Aurora, Belle, and Ariel) at the bottom left. Several red circles along the path contain the text "Take a card". A red rectangle labeled "START" is located at the bottom center of the board.
