

Baby Pool

Use this sheet to predict the baby's birth date, gender and weight.

-  What the glutton is eating
-  Baby's birth date
-  Baby's gender: Boy or Girl
-  Baby's weight in kilograms

Player Name				
-------------	---	---	---	---

You can play Baby Pool at your baby shower or you can keep this sheet taped to your refrigerator and have friends and family place their bets as they visit you. Bets should be small and can be in the form of cookies, diapers ... anything. Winner takes all.

According to the Guinness Book of World Records, the world's heaviest baby was born in Canada in 1979. The baby weighed 23.12 lbs! Ouch!
