

FROM THE DESK OF
Santa Claus

Dear,

I'm writing to let you know that I have heard that you have been good this year so I will be visiting you on Christmas Eve with a nice present!

The elves and I have been very busy making and wrapping presents for all of the boys and girls on the nice list and we are ready to deliver them all in time for Christmas.

We are all so proud of you for being so good this year and for being so kind to those around you.

Remember to be happy, brave and strong and spread the Christmas cheer.

with love,

Santa Claus
