

I have no need for children  
for it is happiness I am in search  
and all the while she spoke I smiled  
while happiness tugged at my skirt.

# Motherhood

is a choice you make everyday to put  
someone else's happiness and well-being  
ahead of your own, to teach the hard  
lessons, to do the right thing even when  
you're not sure what the right thing is...  
and to forgive yourself over and over again  
for doing everything wrong. - Donna Bell
