

WITH LOTS OF LOVE,  
**Daughter**  
ON YOUR BIRTHDAY

You're such a wonderful daughter,  
you're very special too.  
And that's why it's so easy  
to be so proud of you.  
You always make life happier  
just by being there.  
The things you do for others  
that show how much you care.  
Life wouldn't be the same without you,  
for you're such  
an important part.  
Of all the  
wonderful memories  
that are  
treasured  
within the heart.

**Wonderful**
