

Love is patient, love is kind. It  
does not envy, it does not boast, it  
is not proud. It is not rude, it is not  
self-seeking, it is not easily angered,  
it keeps no record of wrongs. Love  
does not delight in evil but rejoices  
with the truth. It always protects,  
always trusts, always hopes,  
always perseveres.
