

# Guess Who?

## Bride OR Groom

The bride and groom have already given their answers. Can you guess what they said?

Who tends to plan date nights?

Who is the best gift giver?

Who cleans the litter box/picks up dog poop more?

Who is the better cook?

Who pays the bills?

Who will get their way when planning a vacation destination?

Who will make the final decision when buying a new car?

Who spends the most money?

Who is more stubborn?

Who "wears the pants?"

Who cleans the bathroom more?

Who is the first to admit when they are wrong?

Who is more spontaneous?

Who typically drives?
