

Dear Parents,

The year is quickly flying by! This means our state's standardized test is coming up. Our class has been preparing for this and working hard to do our best on these tests.

We can make your child's test experience positive and successful by working together. I ask you to take time to do these little things and help your child reach their fullest potential:

- o Talk with your child about goals for this test.
- o Make sure your child gets a good night's rest.
- o Have your child eat a healthy breakfast at home or at school on the morning of the test.
- o Make sure your child arrives at school with plenty of time to prepare for the test (rushing around never makes for a calm child!)
- o Gently encourage your child to do their best and show your faith in them.

I have attached a blank letter template to this note. Please take a moment to write an encouraging message to your child. Please return this message in a sealed envelope before the test, and I will give it to your child on the first day of testing.

Thank you for your help and support!
