Strategic avoidance of emotional elephant in the room.	"Are you sure you want to eat that?"	Unnecessarily aggressive knife and fork plate scraping.	Screaming fight about grandpa's last wishes.	Creepy uncle says something inappropriately sexual.
Someone crying in the bathroom.	Snarky comment about the green beans that's not actually about the green beans.	<i>Awkward segue free space!</i>	Shit-talking about someone in the next room.	Adult assigned to the kids' table as punishment.
Revived sibling rivalry from 10 years ago.	Simmering resentment about the dog getting to sit at the table.	Someone gets too drunk and passes out before dinner.	Overtly racist rant about Obamacare.	"Who burned the god damn turkey?!" blame game
Curse word said in front of a child.	Someone makes up an excuse to leave before dessert.	Brother sneaks outside to smoke a joint.	Merciless teasing of most vulnerable family member.	Dirty looks between your mom and your uncle.
