

Print your images on card stock or heavy weight paper. Use a T punch for best results. - or - Cut just inside the image so the unprinted paper doesn't show. Glue, decoupage or use your own method of choice to adhere the image to your caps. You can attach the image to the inside or outside of the caps. You can make jewelry, magnets, push pin covers or anything you choose. Let your imagination run free. You will probably want to seal your bottle caps too. I use Sakura 3D Crystal Lacquer.

You may sell the finished bottle caps using our printables, however, mass producing them is prohibited. Please mention www.EweTimePrintables.com if you sell finished caps. You may not re-sell these images as a whole or in part of any graphics collection, you may not re-sell, share or redistribute this file.
www.EweTimePrintables.com is not responsible for any damages that may occur to your printer when printing these images.
