

Christmas Addition Worksheet

Name _____

Count the images. Write the number of images in the boxes above each image and write the total number in the last box.

$$\begin{array}{c} \square \\ \text{candy cane} \end{array} + \begin{array}{c} \square \\ \text{3 candy canes} \end{array} = \begin{array}{c} \square \end{array}$$

$$\begin{array}{c} \square \\ \text{2 gingerbread men} \end{array} + \begin{array}{c} \square \\ \text{3 gingerbread men} \end{array} = \begin{array}{c} \square \end{array}$$

$$\begin{array}{c} \square \\ \text{3 stockings} \end{array} + \begin{array}{c} \square \\ \text{4 stockings} \end{array} = \begin{array}{c} \square \end{array}$$

$$\begin{array}{c} \square \\ \text{4 gifts} \end{array} + \begin{array}{c} \square \\ \text{5 gifts} \end{array} = \begin{array}{c} \square \end{array}$$
