Lindsey's
13th Birthday

As a 13th birthday party, Lindsey chose to have a couple of friends, Martha and Carlie, to the opening night showing of the movie Eclipse, part of the Twilight series.
On the actual day of her birthday, we were working on VBS decorations at the church which is next to a wheat field. Bethany took Lindsey shopping for a new dress and shoes and then did a photo shoot with her in the field. They also stopped at Sonic for lunch. Lindsey said that it was her "best birthday ever."
