# Once upon a time

there was a beautiful little princess, *Isla Jayde* who was turning 3. She just loved parties, and couldn't wait to celebrate with all of her friends and family. So she sent out invitations to all those in the Kingdom, inviting them to the Royal Cinderella Birthday Ball. The ball would be held at the princess' castle, 1011 Royal Boulevard, Princes Kingdom. All the guests would arrive by carriage on Sunday Jan 6th, 2013 at 2pm in the afternoon. There would be scrumptious food to eat and fun games to play, the princess would make sure fun was had by all. "Who is coming to my ball?" the princess asked. "I must know so I can make sure I have plenty of food!" So the guests would respond to the princess' mother, Queen Olivia, on her telephone, 0400 000 000 by the Jan 2nd.

And it would be a magical day!
