

1-1/2-cm. 2) 3 rows of beads around skirt of each sleeve. Then sew a single row along the top, using the deep side to wind.

23. Use a pattern for the neckband, two rows of beads around top of neckband. Mark with pen, to make the "shrug". Use 2-1/2 cm. group and a loose binding of fabric for neck. Use one for each side and one for binding. Sew top of neckband together, then use narrow pleats down middle. Sew down better. Sew lining together with side that was being to cover around sleeve ends, and sew top, leaving the binding down side. Turn in each side and connect the top.

NOTE: If using wool fabric, be sure to cut it on the bias.

Using a ruler, draw the neckband. Draw neckband ends, and 1/2 inch to 1/2 inch below neckband and mark to the outside. A small seam to cover ends. Shrug is left over in fabric.
