

GIFT TAGS

Are you looking for a fresh, adorable little tag to add to those special packages for your friends and family this Holiday Season, folks?

We'll look no further as these darling little gift tags are simply perfect to make those packages shine!

Each little tag is created at 300 dpi so that they will print out wonderfully! All the work is done for you! You can simply print as many of the little tags as you would like, cut them out and attach them to your presents. Does it get any easier than that?

Includes:

12 Adorable *Gift Tags*
(in various sizes)

All created at 300 dpi by
