

Dear \_\_\_\_\_  
 (Child's Name)  
 I'm writing to inform you that my class have just chosen me your letter listing all of the \_\_\_\_\_  
 (plural noun)  
 that you would like for Christmas this year. I don't usually write back to the \_\_\_\_\_ who send me  
 letters, but I believe that you need to know why I am \_\_\_\_\_ by your request this year.  
 (ing verb)  
 I have been watching you very \_\_\_\_\_, especially since last year was so  
 \_\_\_\_\_, unfortunately, you did not listen to the \_\_\_\_\_ given to you by your  
 (adjective) (common noun - thing)  
 \_\_\_\_\_ last year. Sadly, your behavior only seems to have gotten \_\_\_\_\_  
 (common noun - person) (adjective)  
 in fact you are not sure what I'm \_\_\_\_\_ about. I am including some examples of things that  
 you did that were naughty. \_\_\_\_\_ what \_\_\_\_\_ had while she was  
 (ing verb) (present tense verb)  
 \_\_\_\_\_ who simply had a nice thing to do. Another example is the time you put a  
 (ing verb)  
 \_\_\_\_\_ in your teacher's \_\_\_\_\_. She \_\_\_\_\_  
 (common noun - thing) (common noun - thing) (past tense verb)  
 because she was \_\_\_\_\_, not because she happy about it.  
 (an emotion)  
 I hope you know that making the decision to give by your \_\_\_\_\_ did not come  
 (common noun - place)  
 \_\_\_\_\_ I believe in my \_\_\_\_\_ that this is the only way to help you  
 (adverb) (common noun - body part)  
 learn The Golden Rule and begin \_\_\_\_\_ others the way that you want to be \_\_\_\_\_  
 (ing verb) (verb)  
 It is my hope that you will \_\_\_\_\_ your lesson, and next year I will be able to grant your wish for a  
 (present tense verb)  
 \_\_\_\_\_  
 (adjective - color) (common noun - thing)

Yours truly,
