

Elf on the shelf

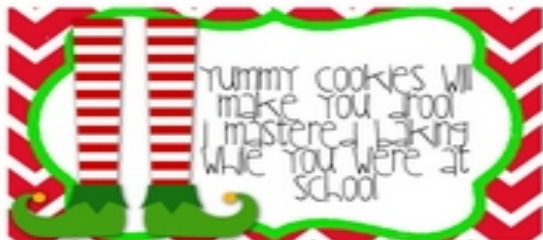

Bring your elf to life with these fun printables

marshmallows are
meant for so
much more
snowball fights and
fun on the
kitchen floor

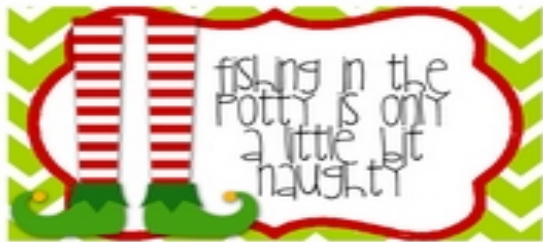

dancing with the
sins and parting
all night
you should have
seen us it was
quite a sight

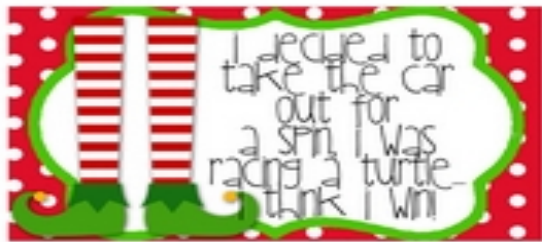

rummy cookies will
make you good
I mastered baking
while you were at
school

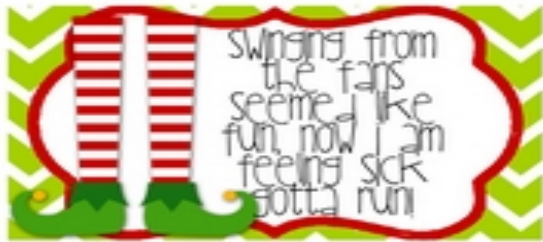

the laundry pile
so tall and neat
was calling my
name
mission complete!

fishing in the
potty is only
a little bit
naughty

I decided to
take the car
out for
a spin I was
racing a turtle
think I win!

swinging from
the fans
seemed like
fun now I am
feeling sick
gotta run!
