	<p><b>HOW TO PLAY!</b></p> <ol style="list-style-type: none"> <li>Place three stacks of the monster parts on the squares marked in the center of the game board.</li> <li>Players roll the die to move their pieces. When they land on a spot, they pick up the same game card from the piles in the center of the board. If you land on a space and there are no more pieces left for that item, you can choose a card from another pile.</li> <li>The game is finished when all the game cards have been picked up. Players then assemble the cards into fun monsters made of one of each of the the head/body and feet pieces. The one with the most completed monsters wins!</li> </ol>
