

**Name That Baby Food Game Labels 2 -
Fit the side of plastic baby food containers**

Name that Baby Food Game Directions

Print Label sheets up on card stock or non-see-through paper on your printer

Cut and tape the labels on Sheet 1 to the top of the plastic baby food container

Cut and tape labels on Sheet 2 to the side. They fit both small and bigger size plastic containers.

Baby Food containers usually have what they are on the side and top so make sure the label covers the name of the food.

Have guest guess what they think the baby food just by looking at it. No eating required!

Don't forget to fill out the answer key sheet so you know what food is in each container

The best part is...the mom-to-be-gets to take all the food home and use!!!!
