

### BABY PREDICTIONS MAD LIES

My name is \_\_\_\_\_ and I met your mom/dad/parents  
at \_\_\_\_\_. We have known each other for \_\_\_\_\_ years.  
My baby predictions? I predict that baby will be a \_\_\_\_\_.  
I think baby will be born on \_\_\_\_\_ at \_\_\_\_\_.  
I just know that baby will be a \_\_\_\_\_. I think baby will  
have \_\_\_\_\_ hair and will weigh \_\_\_\_\_ lbs.  
I hope that baby gets Mom's \_\_\_\_\_  
and Dad's \_\_\_\_\_.  
But what matters most of all is that this baby will be so loved  
because he/she is joining a very special family.

LOVE, \_\_\_\_\_
