

"Mint" to be a child of God

Oh what love my Savior gave  
 Oh what He did for me  
 Oh what a sacrifice He made  
 When He died on Calvary's tree  
 There's nothing that I could ever  
 do  
 To deserve this kind of love  
 But yet He gave this gift to me  
 To show His Father's love.

God's Love  
 is bigger  
 Than we know

"Mint" to be a child of God

Oh what love my Savior gave  
 Oh what He did for me  
 Oh what a sacrifice He made  
 When He died on Calvary's tree  
 There's nothing that I could ever
