

## THANKFUL FOR YOU TURKEY CRAFT

1. Use crayons, paint, kwix stix, or watercolors to color the turkey body, feathers, beak, & snood (the iconic flap that's over the turkey beak)
2. After coloring, use scissors to cut around all of the pieces.
3. Assemble the turkey with glue and add googly eyes.

## TURKEY FEATHERS, BEAK, & SNOOD
