

# Hearts Bound Together

By: [365greetings.com](http://365greetings.com)

*You gracefully roam the expanse of my mind.  
It makes me feel the love that causes my heart and yours to bind.  
I feel so lucky because you are one-of-a-kind;  
And someone like you is impossible to find.*

*So escape all the worries, clear all the fears;  
Erase all the loneliness, wipe away the tears.  
Because I will stick with you for all these coming years;  
And at the peak of our love, we will rejoice with all our cheers.*
