

"Make a wish  
into the well

That's all you  
have to do

And if you hear  
it echoing

Your wish will  
soon come true

"A dream is a wish  
your heart  
makes... when  
you're fast asleep.

As dreams you will  
big your heartache.  
Whatever you wish  
for, you keep.

Have faith in your  
dreams, and someday,  
your rainbow will  
come smiling  
through."

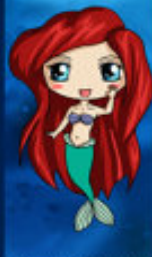

"I know you  
I walked  
with you  
once upon  
a dream.

"I know you  
the dream  
in your  
eyes is as  
familiar as  
a dream."

"Wouldn't I  
love, love to  
explore that  
world up there?

Out of  
the sea...  
with I  
could be...  
Part of that  
world..."

"I want  
adventure in  
the great  
wide  
somewhere.

I want it  
more than I  
can tell."

"I'm like a  
shooting  
star, I've  
come so  
far.

"I can't go  
back  
To where I  
used  
to be."

"I look once more  
just around the  
curve bend..."

Beyond the shore  
somewhere past  
the sea...  
don't know  
what for...

Why do all my  
dreams extend  
Just around  
the curve bend?

"Who is that  
girl I see...  
staring  
straight  
back at me?

Why is my  
reflection  
someone I  
don't know?

When will my  
reflection  
show who I  
am inside?"

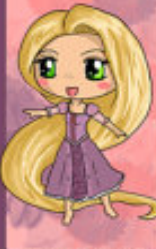

"Fate's hands can  
come late.  
You gotta make  
em happen. It all  
depends on you.

So I work real  
hard each and  
every day. Now  
things for sure  
are going my way.

And I'm almost  
there. I'm  
almost there."

I could go  
running  
and racing  
and dancing  
and chasing  
and leaping  
and bounding,  
hair flying,  
heart pounding  
and splashing  
and reeling,  
and finally feeling  
now's when my  
life begins!

"There are  
those who say  
fate is something  
beyond our  
command.

That destiny is  
not our own,  
but I know  
better.

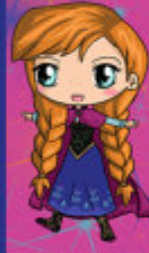

Our fate lives  
within us, you  
only have to be  
brave enough  
to see it."

"Cause for  
the first  
time in  
forever...

For the first  
time in  
forever...

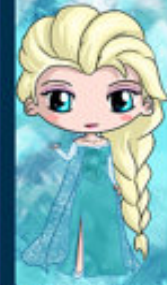

Nothing's in  
my way!"

"Here I stand  
in the light  
of day...

Let the storm  
rage on...

The cold never  
bothered me  
anyway."
