

'60s Candy Trivia

The 1960s was a decade of change and evolution. We enjoyed history and social-themed shows on TV, the musical theater moved from the stage. We danced across to the grooves of the 1960s Invasion to psychedelia, rock, to bubble gum music. The decade also saw the acquisition or decline of several candy companies. Many of the candies created during the 1960s were influenced by the space program. Take the quiz to test your knowledge of 1960s candy trivia with several levels. You can win!
