

A bird does not sing
because it has an answer.
It sings because
it has a song.

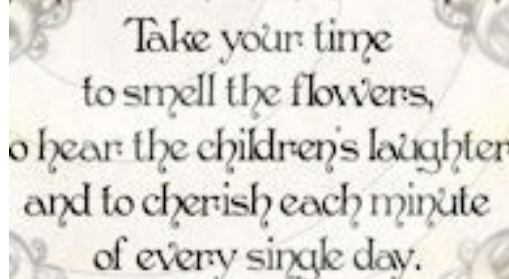

What lies behind us,
and what lies before us,
are tiny matters compared
to what lies within us.

May your

The words that
enlighten the soul
are more precious
than jewels.

Take your time
to smell the flowers,
to hear the children's laughter,
and to cherish each minute
of every single day.

We are each of us angels
with only one wing,
and we can only fly by
embracing one another.
