

Baby's 1st Picture

My precious little baby,
I have loved you from the start.
You are a tiny miracle,
Laying closely to my heart.
Each day I feel your presence,
Each day you quickly grow.
Each day your heart beats softly,
As only I could know.
So I'll keep this in a special place,
And remember each year through.
Of this very special time of life,
The months I carried you.
