

# Baseball Math

5<sup>th</sup>  
Grade

The background is a green baseball field with white base paths and a yellow warning track. In the center, there is a math problem:

Hits	$(2 + 1)$	$=$	<u>3</u>
At-Bats	$(4 + 3)$	$=$	7

Below the table is the division problem:

$$3 \div 7 = 0.4285$$

Surrounding the math are various baseball items: a red cap, a white baseball, a yellow cap, a black jersey with "COYOTES" in red, a grey jersey with "MAD DOGS" in red, a wooden bat, and a brown glove. A white home plate is also visible.
