

A SPOOKY CAMPFIRE STORY

Every summer I get totally amped and (adj) to go camping in the deep. ((adj) forests. It's good to get away from it all - but not too away, like in getting lost! Last year. My friends and I went hiking and got lost for (number) hour(s). We started off on a(n) (adj ending in -ing) adventure, but we kept losing the trail. Night began to fall, and when we heard the howls of a (large animal), we began to panic. It was getting darker and our flashlights were running oof..... (noun). I'm sure glad my pet (animal) (boy's name), was with us. He is one gifted creature, because he was able to guide us back by (action verb ending in -ing) the (adj) s'mores by the campfire. This year, before setting off on an (adj. ending in -ing) journey, I'll be sure to have working flashlights - and of course, my buddy (same boy's name as before)
