## Follow the Path Reading Game

A grid of 4 rows and 8 columns of circles. The circles contain various icons: a sheep, a wolf, a clover, and a grass tuft. The path starts at the sheep icon in the top-left circle and winds through the grid to the wolf icon in the top-right circle. The path sequence is: Row 1, Col 1 (sheep) -> Row 1, Col 3 (clover) -> Row 2, Col 2 (wolf) -> Row 3, Col 3 (clover) -> Row 4, Col 2 (wolf) -> Row 4, Col 6 (clover) -> Row 4, Col 7 (empty) -> Row 3, Col 8 (empty) -> Row 2, Col 8 (empty) -> Row 1, Col 8 (wolf).

**Directions:** Write words on all the blank circles. Then take turns rolling the die to get the sheep to the grass. If you land on a word, read it aloud. If you land on a clover, roll again to move forward. If you land on a wolf, roll again to move backward.
