

Fourth
of

JULY

The word 'JULY' is rendered in a bold, blocky, outlined font. Above the letters, there are horizontal bars that look like a ribbon or a banner. The entire graphic is decorated with stylized fireworks and stars. On the left side, three curved lines representing firework trails lead to three stars of varying sizes. On the right side, four curved lines lead to four stars, also of varying sizes. The overall style is clean and graphic, suitable for a coloring page.
