Counting Pets Worksheet

*Jimmy has a lot of pets. He needs your help to count them all!
In this exercise, you will answer Jimmy's questions by counting the number of pet animals that appear below each question.*

1. How many cats do I have?

2. How many dogs do I have?

3. How many birds do I have?

4. How many frogs do I have?

5. How many pigs do I have?
