

# Thanksgiving math worksheets

Count the images. Write the number of images in the boxes above each image and write the total number in the last box.

$$\begin{array}{c} \square \\ \text{pumpkin} \end{array} + \begin{array}{c} \square \\ \text{pumpkins} \end{array} = \begin{array}{c} \square \end{array}$$

$$\begin{array}{c} \square \\ \text{leaves} \end{array} + \begin{array}{c} \square \\ \text{leaves} \end{array} = \begin{array}{c} \square \end{array}$$

$$\begin{array}{c} \square \\ \text{turkeys} \end{array} + \begin{array}{c} \square \\ \text{turkeys} \end{array} = \begin{array}{c} \square \end{array}$$

$$\begin{array}{c} \square \\ \text{plates} \end{array} + \begin{array}{c} \square \\ \text{plates} \end{array} = \begin{array}{c} \square \end{array}$$
